

## FAT BASTARD – PERSONAL RIDER

---

We will need before and after the show:

- 10 (female, of course) prostitutes (with doctor's declaration that they have no diseases whatsoever):
  - 2 Ukrainian blonde chicks
  - 2 Swedisch chicks with serious titties
  - 2 from the Philippines
  - 2 Brazilian or Argentinian ladies (in any case with Brazilian wax job!)
  - 1 African mamma (+150kg plz.)
  - 1 Chinese midget for the bass guitar player
- 2 kg coke and/or speed and/or liquid X
- 25 bottles of Westvleteren Nr.12
- Bathroom with gold plated faucets and shower head
- 2 cute porks with Motörhead logo tattooed on their back. Porks are to declare they are all for BBQ!
- A 92,5 inch flatscreen 3D TV, with a VHS player and all Rocky movies on tape (not DVD or Blu-ray mind you)
- Lemmy Killmister as a vocal coach

### No, seriously...

We're happy with about 5 1L bottles of non-sparkling water on stage, and if you should be really really happy with us, you are allowed to bring us 3 beers and 2 cokes on stage ;)

A chill out zone is always appreciated if the venue allows it.

Please foresee a zone for our merchandise stand. We don't need tables and stuff, just 2 square meters will do the trick!

And Lemmy as vocal coach! You see, we're not at all difficult!

Thanks a bunch for having us at your party, we always appreciate your honest feedback after the gig!
